

## Learning Session

# MATURE USE OF YOUR EMR

Moving beyond the basic functions of the EMR and into the realm of clinical value and how we get there.

This session will highlight the use of the Provincial COPD Flowsheet and other Provincial Standardized EMR content developed by eDOCSNL.

Join us as we discuss the vision for mature use of eDOCSNL in Newfoundland and Labrador.

**This session is being offered in coordination with the NLMA AGM.  
Registration not limited to AGM participants. Separate registration required.**
