Nurse Practitioner	\$200/month	Nurse Practitioner enrollment allows 5 additional staff (i.e. nurse, admin...).
Other Authorized User		
Staff User	\$80/month	Applied when a Physician has more than 5 staff members. Additional staff are subject to the associated costs to be paid by the Physician or Clinic.
Allied Health Professional	\$145/month	Additional users classified as Allied Health Professionals are subject to the associated costs to be paid by the AHP, Physician or clinic.
Other Services		
After hours training by Telus	\$75/hr	eDOCSNL will pay \$150/hr for Telus training on request, after hours training will be charged to the program at the rate of \$225/hr, the additional \$75/hr will be charged to the clinic
Customs forms and templates created by Telus for the purpose of distribution to all users	\$600/page	Telus will build forms for clinics that are not paid for by eDOCSNL, as detailed in the eDOCSNL forms policy ³
Customs forms and templates created in an individual instance of the EMR by Telus	\$150/hr	Any custom content created by Telus for use within an EMR instance, above and beyond that which would be normally considered reasonable for an implementation or post-go live
Data conversion - import to an instance	\$1,500	Provider movement necessitating movement of EMR data will involve a cost to the provider
Data conversion - extract from an instance	\$1,500	Providern movement necessitating movement of EMR data will involve a cost to the provider
Provider movement	\$500	Physician movement from one instance to another, or being added to another instance while maintaining their practice in their current instance ⁴

¹ Enrolment occurs when a Physician signs the eDOCSNL Participation Agreement becoming a part of the program.

² Telus charges the program additional fees for Providers who work in more than one instance. At this time the Management Committee has decided not to pass these costs on to providers. This decision may be revisited in the future and Providers in this scenario may incur additional charges

³ The eDOCSNL forms policy can be found at edocsnl.ca

⁴ When this transition or addition occurs involving an RHA instance, agreements will be made between the provider and the RHA to address this fee. eDOCSNL is not responsible for covering this cost.

⁵ The stated fee schedule is in effect as of April 1st, 2020. Revised July 29th, 2021.
