

How to Find and Favorite the FPRP/eDOCSNL Cognitive Assessment Template

Please note that you will only be able to access these routines if Template Admin and Application Admin are set to “Allow” in your Profile – Permissions – General tab and you can see the **Template icon** as per below. If you do not have access, please contact the appropriate person in your clinic who has ADMIN access or reach out to info@edocsnl.ca.

TO FIND, ENABLE AND FAVORITE TEMPLATES:

1. In Med Access, click on the **Templates** button in the upper right corner of your dashboard:

2. Click on the **Obs** tab.
3. Search for “*frailty*” in the **Template Name** field. The template you are looking for is the “*eDOCSNL NL Frailty – Cognitive Assessment*” template:
